I remember R3 hosted a listening session at one point for some of the residents from NE PA, including Ex. 6 - Personal Privacy which I think you helped organize? I was supposed to attend but ended up having a conflict. I was hoping to track down any summaries that were produced after that meeting. We are working on a community concerns summary for the Dimock document and we think that meeting had some of that info in it.... does this sound familiar? does such a meeting summary exist? thanks a million Mike, Lora
